Site tools

Scrim

1. Player could enter in contact with other teams to setup scrim
 - a. Could be a chat integrated to the site or even through a specific Discord server
2. Players take SS from every match so they can post later on the Analysis tool
 - a. **ALL ANALYSIS SHOULD BE PRIVATE TO THE TEAM**
 - i. That's my opinion
 - ii. It will avoid bad usage of it I guess
 1. You can only use it to make yourself better, and not keep spying on other teams or even making fun of them
 - b. The analysis tool on the Scrim tab will have as inputs
 - i. Enemy team (since you will be logged in, no need to tell what is your own team)
 - ii. Screenshots
 - c. The tool will work its magic and show the results on a specific part of the team page
 - i. Only accessable to players of said team

League

1. Site will manage teams facing each other
 - a. Could be a link to another website that can do it already
2. Considering a league of 8 teams, each team would need 2 or 3 matches every week
 - a. Site shows something like
 - i. Week 1
 1. Team A vs Team B
 2. Team A vs Team D
 3. Team A vs Team P
 - b. Maybe put a section showing upcoming matches in the team page
 - c. Each team knows who they're up against and can schedule the game by themselves
 - i. Given a time limit to post the results
3. Inputs should be
 - a. SS

- b. Team names
 - c. Both teams have to accept the SS (to avoid faking it)
 - i. Or a mod can do it
- 4. The tool will read the SS and update the rankings
 - a. Maybe 2 ranks, one for players and the other for teams
 - b. Optionally it can also create similar statistics to those of scrims and attach it to the team page
 - i. Also only accessible to the team
 - ii. Should not be mixed with scrims statistics
